Sir

I have the honor to request that the article 552 of the Imperial Service Regulations may in the Case of the Marginally noted Officers be rescinded as it is more than probable that they will be on plague duty for several months to come, and it would cause an endless amount of Correspondence if Government is to be addressed every month on this subject

As there is no fixed allowance for Lady apothecaries when on special duty I have the honor to recommend for the sanction of Government that they be granted an allowance of Rs 1/8/ per diem

Sir I have the honor to address you on the subject of allowances to be granted to Medical Subordinates and Midwives at present Employed on Plague Inspection duties and to suggest that with some exceptions the allowance granted them should bear some definite proportion to their pay, and that not every one Employed upon Plague duty should be given an allowance merely because he or she may be so Employed but by reason of the increase of work or extra expense incurred or

Continued

Convenience in the Matter of his
that they are put to

I think that both Certain & Contingent the allowance to all whom they may be considered necessary to grant allowances to, should be fixed at a rate of not more than 1/3rd of their pay

The Enclosed form will show at a glance the allowances proposed to be given to the several Medical Subordinates and Midwives at present Employed, and in future all allowances should be based at the rate of one third of the pay of the person appointed

The Midwives at present Employed on Plague Inspection duty should in my opinion, be relieved as soon as possible and their places taken by those women who are being Specially trained for the purpose and whose pay should not in my opinion exceed Rs 8 or 10 at the utmost

From the enclosed form it will be observed that the extra cost incurred by these allowances amounts to Rs 415/ per Mensem

In Conclusion I have the honor to request that you will forward thereon to Government with such alterations and suggestions as you may deem Necessary

Again in the case of the Assistant

Yeswantpur is within the radius of 5
